

Dear Country Representatives,

The Republic of Türkiye is responsible for the safety and security of all individuals living in or visiting our country, including Israeli citizens. Antalya is one of the most popular holiday resort in both our country and Europe. Citizens from every country enjoy their holidays in Antalya in peace and security. In this regard, within the borders of the Republic of Turkey, all types of security, transportation, accommodation, and healthcare services are guaranteed by the Turkish state.

Our country has hosted many national and international events in past years and has emerged from all of them with flying colors. As is known, a large portion of these events are sports-related. One of the most recent examples is awarding of the UEFA European Football Championship to our country, along with Italy, in the year 2032. With the support of our state, we will also successfully organize the Trisome Games, which will be held in Antalya 2024. With our collective efforts, your participation, and support, the organization will achieve its goal.
